## 2019 PEAK SAUVIGNON BLANC ATLAS PEAK, NAPA VALLEY ESTATE GROWN

With our PEAK Sauvignon Blanc we seek to reflect our rugged mountain terroir in a refined, elegant, and age-worthy white wine. The grapes are sourced exclusively from 2 blocks of Sauvignon Blanc vines in our high-elevation Attelas Vineyard, which produces unique berries of intense fruit character and vibrant acidity. Made in very small quantities, this wine shows beautifully now and is crafted to reward careful cellaring over the next 5 years to reveal increasing complexity and nuance.

### 2019 VINTAGE

2019 was quite similar to the “Winemaker’s Dream Vintage” of 2018. Following winter rains that saturated the soils, the vines had ample water to ensure a healthy budbreak. The growing season brought cooler-than-average temperatures throughout spring and summer. This, combined with the absence of any notable heat events during berry formation, ensured ideal flavor development. As a result, our 2019 wines offer exceptional energy and depth, with beautifully articulated varietal flavors and a subtle underlying power that reflects their mountain origins.

POINTS

**Outstanding wines. These wines are outstanding for their type and are worth the extra effort to seek out.**

*“An outstanding effort, the 2019 Sauvignon Blanc has a racy, green citrus, grapefruit, and mint-laced aromatic profile to go with medium-bodied richness and depth on the palate. It has bright acidity and a balanced, clean, classy style, all making for an outstanding Sauvignon Blanc to enjoy over the coming 2-3 years or so.”*
