Located high above the fog, on the mountain slopes Napa Valley's majestic Atlas Peak, the Acumen estate features 116 sustainable and organically certified acres of vines, spread across two remarkable vineyards. From these coveted grapes, the Acumen team crafts estate-grown wines, with a focus on mountain-grown Cabernet Sauvignon and Sauvignon Blanc. Taking their inspiration from the legendary Napa Valley wines of the 1960s and 1970s, Acumen's classically structured wines have earned acclaim for their beauty, balance and age-worthiness.
